What to do if you are ill on the day of an exam

If you are feeling unwell on the day of your exam, we suggest you come into school and we can assess the situation when you arrive. In most cases, it is better to take the exam if you can.

Some catch up exams will take place in another subjects exam so if for example you miss History and do not take Geography, be expecting to sit your History exam when the Geography exam is taking place.

If there are no available opportunities for you to catch up during the mocks you will be expected to catch up in class.

If in doubt – phone the school.

If I'm late, can I still sit the exam?

If you think you are going to be late for the start of your exam, please contact the school to inform us.

On arrival at school, a member of staff will escort you to the exam room.

You **must not** enter the exam room without permission once an exam has started.
