The Journey of the Wise Men

Word of the Week

Matthew 2: 1-12

After Jesus had been born at Bethlehem in Judaea during the reign of King Herod, some wise men came to Jerusalem from the east. 'Where is the infant king of the Jews?' they asked. 'We saw his star as it rose and have come to do him homage.' When King Herod heard this he was perturbed, and so was the whole of Jerusalem. He called together all the chief priests and the scribes of the people, and enquired of them where the Christ was to be born. 'At Bethlehem in Judaea,' they told him 'for this is what the prophet wrote:

"And you, Bethlehem, in the land of Judah, you are by no means the least among the leaders of Judah, for out of you will come a leader who will shepherd my people Israel."

Then Herod summoned the wise men to see him privately. He asked them the exact date on which the star had appeared, and sent them on to Bethlehem. 'Go and find out all about the child,' he said 'and when you have found him, let me know, so that I too may go and do him homage.' Having listened to what the king had to say, they set out. And there in front of them was the star they had seen rising; it went forward and halted over the place where the child was. The sight of the star filled them with delight, and going into the house they saw the child with his mother Mary, and falling to their knees they did him homage. Then, opening their treasures, they offered him gifts of gold and frankincense and myrrh. But they were warned in a dream not to go back to Herod, and returned to their own country by a different way.

"Like the Magi, let us lift up our eyes, listen to the desire lodged in our hearts, and follow the star that God makes shine above us. As restless seekers, let us remain open to God's surprises. Let us dream, let us seek and let us adore."

POPE FRANCIS

Prayer for the Week

Lord Jesus,
The wise men gave you gold;
they knew you were a king.
The wise men gave you incense;
they knew you were God.
The wise men gave you myrrh;
they knew you would die.
We give you ourselves.
We know you love us.

The wise men followed the light of a star to find you in Bethlehem. Help us to follow your light so that we can live as children of God.
Amen.

Epiphany

(e-piph-a-ny)

(n) A moment of sudden revelation; a poignant, sudden, profound understanding.

Think about the Magi. The Bible doesn't tell us how long their journey took, but it does seem it was significant. And they would have had to leave some things behind to follow that star.

They gave up their time, their treasure, and really themselves to make this journey. They kept their eyes on that star and followed it. They put their best effort into it, believing that would be enough.

TAKE A MOMENT...

- What are your goals right now?
- What are you journeying toward?
- Does your journey toward your goals also lead you on a journey towards Jesus? Why or why not? If not, what can you do to make those paths align?
- What are some roadblocks or barriers which prevent you from getting closer to Jesus?
- What are some distractions which might cause you to get lost?
- What will help you stay on the right path?

But they were willing to make the journey, because they knew they would encounter someone special, even though they might not have known exactly how that would play out. It seems almost certain that they encountered problems and delays, but they didn't quit. They could have tried to take shortcuts and gotten lost, but they stayed on the right path. Herod could have been a roadblock, but they got around him.

JUBILEE OF HOPE 2025

The Jubilee Year of Hope in 2025, called by Pope Francis, has begun. This year is a special time for the Catholic Church to focus on hope, healing, and renewal.

Pope Francis declared this Jubilee to help people rediscover the power of hope in their lives, especially after the challenges and struggles of recent years, like the pandemic. The year will be marked by prayers, pilgrimages, and events that emphasize God's mercy and the need for unity and compassion in the world. It's a chance for everyone—young and old—to reconnect with their faith, find forgiveness, and spread hope to others.

You will find out more about this Jubilee year next week and how we are going to celebrate in school.
